

**PUBLIC HEARING NOTICE
VILLAGE OF SPRING GREEN
REGARDING FACILITY PLANNING FOR
WASTEWATER TREATMENT FACILITIES**

A public hearing will be held at 6:30 PM on June 10, 2026, at the Village Office, 154 N. Lexington Street, Spring Green, Wisconsin.

The purpose of the hearing is to discuss and review the Facilities Planning Document for the Village's wastewater treatment facilities. Upgrades to these facilities are needed to comply with current and future Wisconsin Department of Natural Resources permit requirements, replace equipment that is nearing the end of its useful life, and provide treatment capacity to meet the Village's current and future needs.

The public hearing will discuss:

- Population and Design Projections
- Current and Future Permit Requirements
- Alternatives Evaluated
- Review of Selected Alternative
- Implementation Schedule
- Environmental Effects
- User Charge Impacts

All interested parties are encouraged to attend or send their comments, in writing, to the Village of Spring Green at the address below. Comments will be accepted until June 24, 2026. A copy of the Facilities Planning Document will be available for review at the Village Office now through the duration of the comment period. If there are any questions, please contact Greg Droessler, P.E., our consulting engineer, Town & Country Engineering, Inc. (608) 273-3350.

Signed, Wendy S. Crary, WCPC, MMC
